Copy of SSN application of Lena Anderson Prather naming her parents as
Dewitt Clinton Anderson and Annie Wilsford

Original of this copy found in personal possessions of Ann Prather Jennings, in
her estate's belongings after Ann's death in 2014.

These parents are consistent with the information on Lena's brother's death
certificate.

Lena's mother as shown on Lena's death certificate is obviously wrong, as Lena
was age 95 when she died; and the informant's name was also listed as her mother,
which could not be possibly alive when Lena died, an obvious mistake.

Hello Owen -

Attached are the following documents that I hope will satisfy staff's request:

2. Staff has asked for "proof in the form of some kind of probate or birth record naming Gen 5 (Dewitt and Anna Wilsford Anderson) as the parents of Lena/Lona Anderson". This requires a logical deduction. First,

a. The previously submitted death certificate for Lena Anderson Prather (also included in the attached #3) incorrectly names Barbara Cunningham as Lena's mother. This is clearly an error because Lena was 95 years old at the time of her death, so her mother could not have been alive and therefore could not have been both the Informant and mother as listed in Lena's death certificate.

b. Lena's mother's maiden name was Anna Wilsford. This can be deduced by the following facts:

1. DeWitt C. Anderson and Anna E. Wilsford were married on 20 Dec 1877 as proved by included marriage record.

2. Lena Anderson was born 29 Aug 1881 and was the daughter of D.C. Anderson as proved by her death certificate.

3. Beasley Anderson (Lena's brother) was born 06 Jul 1882 and was the son of D.C. Anderson and Anna Wilsford as proved by Beasley's death certificate

So given that the marriage of DeWitt and Anna was on 20 Dec 1877, Lena was born to DC Anderson on 29 Aug 1881, and Beasley was born on 06 Jul 1882 to DC Anderson and Anna Wilsford, it must be concluded that DeWitt and Anna were married at the time of Lena's birth and are in fact her parents.

Thank you so much for responding. The Smith family kept records of all the graduates of the Female Institute until 1852 when they started the Columbia Athenaeum

for young girls. The school was for girls from first through high school and had college powers. They included the girls name, father or guardian, and additional

Gen 05 information as to marriage or death. Lena Oliver Anderson, daughter of D. C. Anderson, Greenwood, Mississippi, received a certificate on June 2, 1897.

Thank you

for any information that you can give us.

The Athenaeum Rectory in Columbia, TN was the residence of the Smith family who came to operate the Female Institute. After 14 years, they started the Athenaeum School for young ladies. We are attempting to find information and photos of students who graduated from the institutions. Our records indicate that Lena graduated in 1897. Do you have information or photos that you would be able to share?

Notes (Wm E. Jennings research) regarding Marriage of Robert Prather and Lena Anderson

Lena Anderson was married previously to a Bailey Webb, and was married in Leflore County. Bailey Webb was related to the family that established Webb, Mississippi in Tallahatchie County.

We know that Robert Prather (son of Robert Prather and Lena Anderson) was born in 1907 in Webb, Mississippi (from his daughter's Ann's Marriage Certificate).

So searched county records for both Leflore County Mississippi and Tallahatchie County Mississippi for marriages between 1900 and 1907 and have not found any records for their marriage.

Regarding the date of their marriage:- on the 1910 census, there is a question: how many years married. Unfortunately, the census taker did not fill this in for Robert and Lena Prather.

The 1920 census does not have any information requested about number of years married.

The 1930 census says "age at first marriage" and it's filled in for Robert and Lena - and hence, it establishes Robert was married Circa 1905. That's the only primary record I have found that gives a year of marriage. Lena's date could not be used, as she was previously married before her marriage to Robert Prather.

Lena Anderson was born in Mississippi, and was living in Webb Mississippi as per the Federal 1900 Census for Webb, Tallahatchie Co., Mississippi (married to Bailey Webb). She was also living in Mississippi in 1910 as per the Census for Sumner, Tallahatchie Co., Mississippi (married to Robert Prather). The 1910 Census also indicates that Lena Anderson's parents were born in Mississippi.

Robert Prather was born in Kentucky, but was living in Water Valley, Yalobasho Co., Mississippi at the time of the 1880 Census. He was also a resident of Webb, Tallahatchie Co., Mississippi at the time of the 1900 Census. He is living with his wife Lena Prather, and children at the time of the 1910 Census, in Webb, Tallahatchie Co., Mississippi.

It is reasonable that as Lena was first married to Bailey Webb in Mississippi, that Lena was from Mississippi, and her family was from Mississippi, and that Robert Prather was a resident for over twenty years in Mississippi, and they remained in Mississippi until after the 1920 Census was taken - that this couple was married in Mississippi.
